COPELAND COMPRESSORS NOW AVAILABLE FROM HEATCRAFT

Copeland Scroll and Semi-Hermetic Compressors are now available from Heatcraft New Zealand. Heatcraft New Zealand was formally appointed as a distributor of Copeland Compressors earlier in the year and with a wide footprint across New Zealand is able to provide strong service and support to the NZ market.

Copeland Scroll Compressors continue to be used in a wide variety of applications and are well regarded for their high performance whilst operating reliably and quietly.

Heatcraft distributes a complete range of Scroll compressors as well as a wide range of Copeland Discus Semi-Hermetic Compressors ranging from 7.5HP up to 60HP. Copeland Standard Reed compressors will also be available on an indent basis. All Heatcraft branches stock a wide range of parts to ensure a seamless installation.

Heatcraft will continue to stay abreast of Copeland product improvements and innovations and introduce them to meet emerging market needs.

For more information on the Copeland Compressor range, contact Heatcraft New Zealand on **0800 653 330**.
